Visible at	Toscana
Price	495.000€ - VAT Paid
SCADENZA CERTIFICATO SICUREZZA	2029

## PRESENTATION

Brand new vessel with just over one hundred engine hours. The Grand Soleil 44 is the first boat in the Performance line designed by Matteo Polli, which, in its Race version, is the winner of four consecutive world championship. A true sports boat then; but in this example, we also find all the class and all the comforts we expect from a Grand Soleil. In its very light oak interiors, there is air conditioning, two refrigerators, Tecma electric heads with holding tank, TV, and Fusion stereo system. Outside, the full teak deck, bow thruster, sprayhood and bimini, cockpit table, and the electrically assisted swim platform complete the cruising equipment of this splendid boat.

## MOTORIZATION

Engine	VOLVO PENTA D2 50-130S
Power	48HP
Engine hours	180
Transmission	S drive
Propeller	Flexofold 3 folding blades

## LAYOUT

Cabins	3
Berths	6 + 2
Bathrooms	2
