Displacement	12.800kg
Flag	Italian
Visible at	Campania
Price	530.000€ - VAT Paid
SCADENZA CERTIFICATO SICUREZZA	2030

PRESENTATION

Absolutely unique example of GS 46 LC in like-new condition with top-notch accessories. The teak interiors are splendid, free of any signs of wear, and equipped with all desirable options. Onboard entertainment is guaranteed by three televisions with satellite antenna, Fusion stereo system, and onboard internet. On deck, the comfort of this model is enhanced by seating areas and sun loungers with shading systems both at the bow and stern. The Long Cruise line is highly appreciated for its performance and the seaworthiness of the hulls, as well as for the ease of handling with a reduced crew. All maneuvers are indeed managed from the helms and operated by electric winches, manageable even by a single person. This boat has been the protagonist of significant work over the past two years, including hull bottom sanded to zero and engine overhaul.

MOTORIZATION

Engine	Volvo Penta D2-55/150S
Power	75HP
Engine hours	400
Transmission	S-drive (member 2023)
Propeller	Flexofold 3 folding blades

LAYOUT

Cabins	3
Berths	6 + 3
